EURAD-2 SECOND WAVE TSO COLLEGE TEMPLATES #1

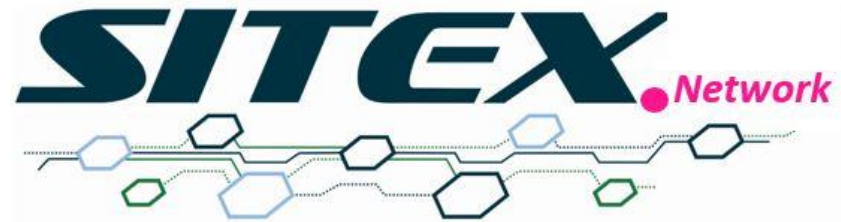

TSO College Template #1 Topics

EURAD-2 SECOND WAVE TSO COLLEGE KEY MESSAGES

- **Shared needs:** prioritise activities addressing collective actors needs
- **Bridge science & society:** continue integrating social sciences in technical aspects
- **Common tools:** develop shared platforms (standardisation, best practices) to streamline collaboration
- **Learn from the Past:** avoid repeating past efforts, focus on unmet needs
- **Inclusive governance:** ensure all voices (including new and SIMS) are heard, reflect diverse EU priorities

Looking forward: with all proposed activities, find a way to use the conclusions of the second wave WPs for the preparation of EURAD-3
